Oct - Bexar win!

Congrats to our 2021 champion, the Bexar Copperheads! As you can imagine, the celebration in SATX included a lot of car tipping and Pearl beer. (smile)

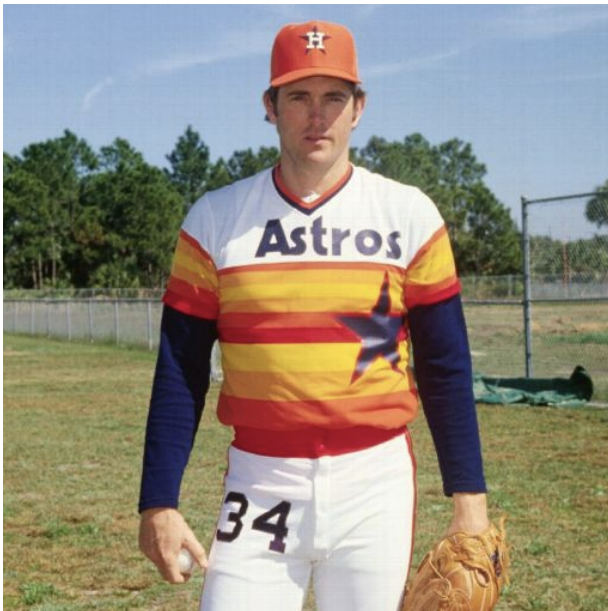

Aug 9 - Throwback jerseys

The Naperville Crayons will feature their throwback jerseys this week. The colorful t-shirts debuted in 1975.

Alas, Naperville's marketing efforts in the 1970's were overshadowed by the much more popular Houston Astros "rainbow" jersey.

Apr 14 - Boston day

Apr 1 - Opening day

No April Fool. It was a great start to the 2021 season for MLB and LP3.

Miggy hit the first homer of 2021...in a snowstorm. Great video and call by the Detroit announcers, twitter.com/MLB/status/1377675305180147719

Mar 6 - Trophy engraved. Check.

Picked up the trophy last week. Naperville Cactus...reigning champs from 2020.

Feb 17 - Renew page

Insider look: This is the page I got to renew the league in 2021.

QOTD - "Another epic season of LetsPlay3 awaits!" (huzzah to that)

Welcome back! Another epic season of LetsPlay3 awaits!

Better features. Better research. Better play. It's no wonder why more fans choose Yahoo Fantasy Baseball.

Renew last season's team managers. You may uncheck any manager who will not participate this season.

Note: If checked above, managers of renewed teams will be able to access their teams as soon as the league is renewed. No invite is required for them to join.

Import rosters from last season. This allows (but doesn't require) the league to be a keeper league.
