The world is not driven by greed. It's driven by envy.

Investor Charlie Munger, fee.org/articles/charlie-mungers-rules-for-life-in-his-own-words

Fun article. Here's the setup:

- Top under-performers this season: Ronald Acuna Jr (atl), Aaron Judge (nyy), Yordan Alvarez (hou), Francisco Lindor (nym), Nolan Arenado (stl), Kevin Gausman (tor)
- Top players exceeding expectations: Spencer Steer (cin), Jurickson Profar (sdg), Alec Bohm (phi), CJ Abrams (was), Ranger Suarez (phi)

The punchline: All the under-performers are **married** and exceeding expectations are **not married**. Ha!

Week 8 Game of the Week: **#1 CRYO TED @ #3 Vatican City**

PS - Trouble in **DG**, aka the Death Star. This snippet sums it up pretty well...Peter Cushing plays the role of team owner Bill Krieger (grrr)
