### Lyrics OTD

I'm so hot for her, I'm so hot for her

I'm so hot for her, and she's so cold

She's So Cold, Rolling Stones, [www.youtube.com/watch?v=jo34VhfcetU](http://www.youtube.com/watch?v=jo34VhfcetU)

The Rolling Stones played in Chicago last week. The group has been playing for 60 years now!

Great songs, but the Stones music videos are pretty, um, basic. The group is actually older than music videos. (ha)

The video above has Mick hopping around about 40 years ago. (smirk)

Lots of goodies in this MLB halfway article.
