## Blather

Just **six weeks** to the LP3 playoffs. (oh my!)

I have two questions:

Q1: Will the BIG four (Ronsby, Beard, Vatican City, CRYO TED) all make the playoffs?

A1: Nothing is certain, but I think so. #4 **CRYO TED** has a 10 game lead over #7 **Bay City**.

Q2: So, that leaves two playoff spots for the hoi polloi. Which teams are vying for spots 5 and 6 in the playoffs?

A2: #5 **DG** and #6 **Southern** are certainly in there. After that, I'll go all the way to #12 **Lollygagger** who is 11 games behind. That makes eight teams competing for the last two playoff spots. Again - Six weeks left. Run faster!

Too much blather here, but still...a pretty good little article.

I'm pretty shocked at how MLB teams have reduced their emphasis on SB this season. Binge and purge!?!

thanks...yow, bill

PS - **Ronald Acuña Jr (atl)** out for the season, of course.

He was the #1 pick in LP3 (by **Philly**) and Topps baseball cards. (dop, and dop)
