

Hey LP3+ premium owners,

Sweet Week 16 aux stats are up.

Team OTW - Best team of week 16 was the **Bay City Brawler** with an average cat ranking of 4.5.

Bay City is 5th in the standings and looking to finish strong.

Kind of interesting. For 7 weeks in a row now, we've had a different team win Team OTW. Parity!

The MLB trade action is **hot** and heavy now, baby.

- I like the Cubs trade where they acquired (ex-DG) **I Paredes** from Tampa, www.mlptraderumors.com/2024/07/cubs-acquire-isaac-paredes.html
- Speaking of Tampa, when **Randy Arozarena** got traded, he walked around the ballpark and said goodbye to fans (smile), x.com/nut_history/status/1816994549211725968
- The MLB trade deadline is "July 30 at 6 p.m. ET", www.mlb.com/news/when-is-trade-deadline-2024-date-time-and-news

My favorite ballplayer doesn't play in the MLB. It's SP **Trevor Bauer**, who is currently toiling in the Mexican league. Bauer has been blacklisted by MLB teams because of phony sexual assault charges against him that have been proven false. In his X feed, T-Bows posts videos of him talking while he's pitching. He takes you through his thought process when facing a batter. Really cool.

Let's wrap with some wonderful 70's **positivity**.
