

Program #4 Results

Jun 2015

Here are the fave results from **Program #4 Virtual Vacation**.

The idea was to paste a green screen image or a tourist (ourselves) into a vacation picture.

Here we go!

thanks... yow, bill

Ally A

“Me and Dr. Who” - this is the winner... outstanding!

Matt M

“My favorite” - Matt still has a couple bugs in there, but so close!

William W

“Fave” - Excellent! An experiment in cloning.

Prof Bill

“Mt. Rushmore 161” - this was my bogey for the project. Fun!

And a bonus pic... “Carnegie 161”
